19th September 2020

Dear Secretary

POSTPONEMENT AND RE-SCHEDULING OF SQBBA 2020 AGM.

I wish to advise that the Annual General Meeting of the South Queensland Budgerigar Breeders Association Incorporated that was set down for Saturday 26th September 2020 has been postponed until Saturday 5th December 2020.

The SQBBA has sought and been given permission to defer the AGM due to the ever changing and uncertainty regarding the number of persons who can attend gathering where they come from. The Office of Fair Trading has given a blanket approval to Association to conduct meetings by use of electronic technology and due to amendments made to act covering incorporated bodies, there is no necessity to have constitutions amended to reflect this.

The proposed date and time for the AGM is now set for Saturday 5th December 2020 commencing at 9.00 am and will be conducted via electronic technology. As this is the AGM, all clubs are expected to have their delegates attend.

I realise a number of clubs have already supplied delegate details, however a new Office Bearer nomination form has been sent with notification and I would ask that this be returned to me, as Secretary, by the date indicated. To be included on this form is your clubs nominated delegates to SQBBA meetings and also the e mail address of these delegates is to be provided so that a link to the meeting can be forwarded to them.

Also, not shown on the Office Bearer nomination form is the very important position of Zone Ring Registrar. At the time of the submission of the SQBBA Constitution, rings were ordered and supplied in a completely different manner than what is currently the case. I have provided a line on the Office Bearer nomination form to cater for any nominations for this position.

Regards

Garry Menzies
Secretary SQBBA
