Interstate bidders unable to attend – No problems!

We are more than happy to assist interstate bidders in any way possible.

For fanciers who are unable to attend we will aid in bidding. There are 2 alternatives; we can have you set a limit on any lots of interest prior to the auction.

We will have somebody bid on your behalf to that limit. Of course if the bird sells for an amount less than your limit you only pay the lesser amount.

Alternatively we can setup phone bidding for you on the day of the auction. You then have the ability to listen in on any lots that you may be interested in and bid via the telephone.

Arrangements must be made to pay for any purchases by Direct Deposit or EFTPOS at the end of the auction

To aid with the process we will supply a suitable freight box at (nominal cost) and transport your birds to the Brisbane Air Express office at no extra charge to you. Obviously the cost of freight and collection at the final destination will be borne by the purchaser.
